

Eroglu

Olive & Olive Oil

Our Facility

About Us

Eroğlu, founded in Aydın, Turkey in 1950, has over half a century of experience in the olive and olive oil industry. Since moving to its current facility in 1996, with 70,000 m² open and 10,000 m² closed area, the company has reached an annual processing capacity of 10,000 tons of olives and 8,000 tons of olive oil. Eroğlu produces table olives from carefully selected raw materials, including olives grown in its own gardens as well as different regions of Turkey. The company exports to many countries including the United States, Italy, Spain, UAE, Bulgaria, Romania and others, both under its own brands and as private label.
